Responsibility Reflection

What is responsibility?

What kind of responsibility do you?

Do you have responsibility to our world or your culture?

What kind of responsibility do your parents have?

Who has responsibility in the novel?

How is the responsibility you have as a child different from the responsibility you will have as an adult?

Does responsibility make you feel overwhelmed?

Do you believe everyone handle their responsibility? Why or why not?

Explain a time where you could not handle your responsibility?
