### Intentions Reflection

**What are intentions?**

**Are our actions always the same as our intentions?**

**If someone steals to feed their family is their actions good or bad? Is their intention good or bad?**

**If someone cheats on a test, is their actions good or bad? Is their intention good or bad?**

**If someone beats their wife, is their actions good or bad? Is their intention good or bad?**

**If a brother lies to their mother to protect their sister from getting in trouble, is his actions good or bad? Is his intention good or bad?**

**Tell me a time where your actions and intentions were different from each other?**
